

Due to the expansion of the Pueblo Convention Center and Historic Arkansas Riverwalk of Pueblo, fencing was placed around the Convention Center's main parking lot as well as the municipal parking lot between Vectra Bank and the SRDA Building. During the construction process, visitors to the Pueblo Convention Center are advised to use the SRDA parking lot (located off Alan Hammel between Union Ave and Central Main Street) or the public parking area in Main Street parking garage at 118 S. Main Street.
